## Me whakarite koe

**Work out how you're going to fund your study and living costs. For details on financial support available from StudyLink, go to [studylink.govt.nz/starting-study](http://studylink.govt.nz/starting-study)**

**Student Loans**—Help pay for course fees, study materials and living costs. Just remember it's a loan. You will pay this back.

**Student allowance**—A weekly payment to help with living expenses while you're studying if you're eligible. You don't have to pay the money back BUT there are conditions.

**Halls of Residence (or residential colleges) provide a welcoming community, usually for full-time first-year students.**

You'll pay rent for your room, which generally covers food, power and internet. Places are limited.

Applications open **August–September** so you'll need all the documentation ready to apply. You may need to pay an advance fee or 'bond' or 'deposit' as security to cover any unpaid rent or damage.

Halls of Residence applications are interested in an applicant's academic achievements and personal qualities and attributes.

## Scholarships

### Karahipi

**Scholarships are a smart way to fund your study. Many are available and they're based on a variety of criteria. Always read the scholarship regulations to see if you are eligible for selection.**

**Depending on the scholarship, you may need to provide the following supporting documents with your application: a personal statement, an academic reference and a character reference.**

**Make sure you have a current CV available to include with your reference if needed. This should list your accomplishments, awards and leadership positions.**

You should apply for every scholarship you're eligible for and if you're considering more than one university apply for scholarships at each of them.

If you're of Māori descent, make sure you check to see if your iwi offers education scholarships.

Many places offer scholarships, not just universities. Check out the Ministry of Education, the Ministry for Pacific Peoples, the Public Trust and the Universities New Zealand website.

You can also use some databases to search for scholarships: Māori Education Trust, StudySpy, MoneyHub and Generosity New Zealand's [givME](#).

**Lots of scholarships are available. Whānau should really encourage their rangatahi to apply.**
